## BELONG.

Church isn't an event to attend, it's a place to belong. GOD made us to be in community with people. We need each other, because we can do more, be more, and endure more when we're walking through life together.

Our **Training 101** workshop and our Small Groups are places to build authentic relationships with people who will support you and love you, no matter what. For more information contact: Fr. Eduardo
